Conditions of Sale

TERMS: When order is accompanied by cash in full, a discount of 5% will be allowed from printed rates.

To customers with known or approved credit rating, net 30 days, 2% 10 days.

C.O.D. orders must be accompanied by at least 25% deposit.

PRICES: The prices in this list are intended only for the wholesale trade and are subject to change without notice.

These prices are based on truck-load or car-load lots, without crating. On smaller shipments where plants have to be crated, packing will be charged additional at cost.

CLAIMS: All claims must be made immediately on receipt of stock. We shall be glad to rectify any mistake made by us, but in no instance will our liability be more than the purchase price.

TRANSPORTATION: Please state whether you want your shipments by Express, Freight or Motor Freight. We make no charge for delivery to railroad station, but our responsibility ceases when goods are turned over to carrier, and risk and cost of transportation belong to purchaser.

CAUTION: All orders are accepted subject to growth of stock and to seasonal and other conditions not under our control.

**All prices in this list are NET
except as follows:**

1. Cash, in full, with order earns a 5% discount from list prices.
2. Cash in ten (10) days from date of invoice earns 2% discount from list prices.
3. All prices thereafter are strictly NET 30 days.

Kurume Azaleas (L.H.) 8 to 10 in.

ILEX OPACA (American Holly)

American Hollies are fast becoming America's most popular plants. Those listed below are all named varieties of tried and proved worth and should not be compared with seedling or unnamed sorts.

Croonenberg. A Greenbrier introduction. Upright, compact grower with fine dark green foliage, above average in size and very spiny. Berries of good size and fine red color.

Howardi. Foliage very dark and glossy. Berries red and attractive.

Savannah. A fast grower, columnar and upright in habit. Very handsome and fruitful, with the red fruit well displayed. (Containers only.)

Taber #3. A very distinct and outstanding variety. Growth slender and pyramidal, retaining this form without pruning. Foliage large and spiny. Showy, large, bright red fruits.

	Each	10	100

B&B Double Above Prices

NOTICE

We can arrange economical truck delivery, to your nursery, on loads of from 4 tons to 16 tons. Transportation cost is based on mileage, one-way only, and is payable on delivery directly to the driver. We make no charge for such arrangement and will be glad to furnish additional specific information on request.
